STEWARDSHIP PROGRAM

This program provides another way to be a good steward in giving. This electronic funds transferring program provides a way to give consistently that saves time and money.

WHAT IT IS

The program allows you to have a contribution automatically deducted each month from your checking account, without any fees for you or the church. You'll also save on the cost of checks and have the peace of mind knowing that your giving is regular and arrives on time.

HOW IT WORKS

Direct Donation is a free service. You can enroll at any time, change your gift amount, or cancel your participation at any time. The minimum amount for Direct Donation is \$10. You can choose to have your contribution drawn on either the 3rd or 18th of each month, or on both dates. For each transfer you will receive notification that the transfer is taking place, making it easy to maintain your records for financial and tax purposes. If at any time your account has insufficient funds for your monthly pledge, we'll send a letter notifying you that the transfer did not take place. Direct Donation is both convenient and safe and all electronic payments are federally regulated for your protection.

SIGN UP: IT'S SIMPLE!

1. Complete the response form below, indicating the amount you wish to contribute to Eastside, and the checking account number from which you wish to have your donation drawn.
2. Select the day(s) of the month you want the contribution made—the 3rd, the 18th, or both.
3. Sign your name and indicate the date.
4. Return the completed form and a voided check from your checking account to the church office by dropping it in the offering, dropping it off at the office, or mailing it to the address below. The first automatic donation will occur in 3 to 6 weeks. You'll receive a confirmation letter acknowledging your enrollment in the Direct Donation Stewardship Program. A record of your donation will appear on your annual giving statement.

REMEMBER: Any changes to or cancellation of your giving must be made in writing (it can take from three to six weeks to cancel participation). Your monthly donations will continue to be made until you notify us in writing of your wish to change the amount or cancel the service. To change the status of your giving, write to: Eastside Christian Church, Direct Donation, 3370 E. Miraloma Ave. Suite 101, Anaheim, CA 92806
