Summary: Gene delivers a message titled "Limitless Surrender." He highlights the examples of Peter, John, and Saul/Paul, who demonstrated limitless courage and surrender to God's will. The sermon emphasizes that even those resistant to God's prompting can experience transformation and significantly contribute to Christianity. Gene challenges listeners to surrender fully to Jesus and be open to God's work in their own lives and the lives of others.

DISCUSSION GUIDE

1. Last week, Gene talked about Peter and John's courageous actions when facing persecution from Jewish leaders.

Can you think of a situation in your own life where you could show courage and stand up for your faith, despite potential pushback from others?

2. Why is it significant not to dismiss anyone and to view others with the same compassion that Jesus had?

Gene highlights that God can bring about surprising transformations in people's lives, similar to Saul's transformation from a persecutor to a prominent Christian leader.

Can you think of someone in your life whom you might have unfairly judged or underestimated? How can you shift your perspective to see them with the same understanding and love that Jesus demonstrated?

3. What are some of the significant contributions Paul made to Christianity after surrendering his life to Jesus?

What are some ways you can also make a positive impact on your community and in the lives of others after fully surrendering to Jesus?

4. What does it mean to be 'kicking against the goads' and how might you be stubbornly resisting God's promptings in your life?

In what areas of your own life are you resisting God's promptings, and what steps can you take to soften your heart and embrace His guidance?

5. Read Acts 9:1-9, what key details of Saul's life-changing encounter with Jesus on the road to Damascus are revealed, and how can they inspire our journey of surrender?

This scripture passage details Saul's dramatic conversion: being blinded by a bright light, hearing Jesus' voice, and submitting to His authority.

Are there any aspects of this account that particularly resonated with you, and how can they motivate you to surrender more to Jesus in your own life?
