SLIDE 1 – Title Slide

6:00 PM – Welcome (1 minute)

HOST:

“Welcome back, everybody! We’re so glad you’re here for Week 5 of ALL IN. Tonight is a shorter night because we want to end right at **6:45 PM** and move together into the auditorium for Worship Night.

Before we begin, thank you for showing up these last five weeks. God has used this time to build new friendships, strengthen hearts, and shape us from the inside out.”

SLIDE 2 – Announcement: Old Testament Challenge (February)

ON-CAMPUS HOST SCRIPT

6:01 PM – Announcements (3 minutes)

HOST:

“Two quick announcements before we jump into discussion:

1. **Old Testament Challenge**

Starting **February**, our whole church will journey through the Old Testament together.

Sign-ups will open at the end of January. It’s a fantastic next step for anyone wanting to grow deeper.

2. As we wrap up ALL IN, I want to encourage you to stay connected. Many of you have found community here – and we’d love for you to stay involved or even consider *leading* a group next semester. God uses groups to transform lives.

SLIDE 3 – Teaching Recap

6:04 PM – Teaching Video Recap (2–3 minutes)

HOST:

“You were all sent the video ahead of time this week, so here’s a quick recap of Pastor Gene’s message:

Nehemiah discovers in chapter 5 that the biggest threat to the wall wasn’t the enemy outside – it was the issues on the inside.

He confronts injustice, calls for accountability, and models sacrificial, integrity-filled leadership.

The big idea is this:

Before God builds something through us, He wants to heal something in us.”

SLIDE 4 – Discussion Question 1

SLIDE 5 – Discussion Question 2

SLIDE 6 – Discussion Question 3

6:07 PM – Group Discussion (25 minutes)

HOST:

“Alright, we’re going to spend the majority of our time in discussion. These are the same questions from the teaching video.

Playlist will automatically run the questions with a **built-in 7-minute timer** for each one, so hosts – you won’t need to switch slides manually.”

Discussion Questions:

1. *What internal issue do you need to address before you can move forward effectively?*
 2. *How do you typically handle conflict or problems within your community or relationships?*
 3. *What would 'making restitution' look like in a situation where you've wronged someone?
What's a powerful example you've seen?*

SLIDE 7 – Story Sharing

6:32 PM – Story Moment (3-4 minutes)

HOST:

“Before we close tonight, we want to hear from **one person** who can share briefly about what being in a small group this semester has meant to them.

Maybe it was a friendship, a prayer that carried you through something difficult, or a step of faith you took.”

(Invite pre-selected person to share for 1–2 minutes.)

HOST:

“Thank you for sharing – that’s what groups are all about.”
